Yes <input type="checkbox"/> → Go to Q1.2	No <input type="checkbox"/> → Go to Q3
Yes <input type="checkbox"/> → Go to Q2	No <input type="checkbox"/> → Go to Q1.3
Yes <input type="checkbox"/> → Go to Q2	No <input type="checkbox"/>

- 2** Was an application made in respect of EITE ACTIVITY at SITE for the 2011 application year?

Yes <input type="checkbox"/>	No <input type="checkbox"/> → Go to Q3
------------------------------	--

- 3** What is the quantity EASP of relevant product that is reasonably likely for the 2011/12 financial year and is referable to SITE?

Relevant product 1		tonnes <input type="checkbox"/> kilolitres <input type="checkbox"/>
Relevant product 2		
Relevant product 3		
Relevant product 4		
Relevant product 5		
Relevant product 6		
Relevant product 7		

- 4** Please provide information about each of the following:

- a) Whether any contracts or other arrangements have been entered into to buy the output of EITE ACTIVITY;
- b) The commissioning or recommissioning of the equipment that is to carry on EITE ACTIVITY, including a description of when and how the equipment will be constructed, commissioned or recommissioned;
- c) The arrangements that are in place to finance the installation of any equipment at SITE (in general terms);
- d) Any factors of which you are aware that would stop or delay the carrying out of EITE ACTIVITY or the installation of any equipment at SITE.

Please provide information as an attachment if insufficient space below.

- 5** Please attach a statement by the person constructing, commissioning or recommissioning the principle equipment that is to be used to carry on EITE ACTIVITY as to whether that equipment which has not been constructed, commissioned or recommissioned at the time of the application:
- i) will be constructed, commissioned or recommissioned as described in the application; and
 - ii) is likely to be ready to produce the relevant product.
